Dear Sir:

This letter is further to our telephone discussion earlier today, in which you advised that no response has yet been filed to an Office Action mailed July 8, 2002, and that the last opportunity for responding passed as at January 8, 2003.

A review of our file indicates that no Office Action was received in our office and no docketing has been entered into our database.

In our telephone conversation, we established that the Office Action was mailed to our old mailing address, (1187 Bank Street, Ottawa), at which we have not been resident for almost three years. I am attaching for your reference a copy of a "Notice of Customer Number Record Change" in which our new correspondence address was accepted as 570 West Hunt Club Road, Nepean, Ontario, Canada, K2G 5W8. This was mailed on June 8, 2001.

We also enclose a further "Request for Customer Number Data Change" dated March 14, 2002, in which we requested, by fax, the USPTO records to reflect our address as 3000 Merivale Road, Ottawa, Ontario, Canada K2G 6N7, which is our current address. We did not receive a "Notice of Customer Number Record Change" for this communication, but we attach for your reference, a printed confirmation from our fax machine, indicating that our correspondence was successfully transmitted.

We respectfully request that the attachments hereto provide the Examiner with enough evidence to reasonably establish that we did not receive the Office Action mailed July 8, 2002.

We also respectfully request that consideration be given to providing the applicant with a new Office Action and ample time within which to respond.

We look forward to your favourable consideration and response thereto.

Respectfully,

---
